WHAT MAKES AN AUDIO ENHANCERS PORTED ENCLOSURE A BETTER PORTED ENCLOSURE?

LESS DISTORTION

LESS CABINET FLEX

CLEANER SOUND

MORE OUTPUT

In an Audio Enhancers slot port enclosure, you'll find larger port areas, all corners in the port rounded, and corner deflectors added in the port where space allows. We guarantee you will have a properly tuned enclosure with accurate air volume. The larger ports, rounded ports, and corner deflectors are only offered by Audio Enhancers. CARB compliant, Certified Green Materials and 100% made in the USA.
