

we've been at this
a long time.

A Letter From Our President...

Over the past 30 years, we have experienced unprecedented growth and change and have learned that listening and responding to our customers' needs are absolutely imperative for our continued success. We remain on the cutting-edge of the automotive aftermarket by continually updating and improving our product line and by offering only 100% American-made GREEN enclosures.

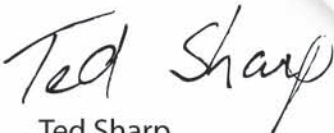

We continue to strengthen our position as the leading manufacture of speaker enclosures by offering innovative designs, quality products, and a 100% satisfaction guarantee. We will also continue to go beyond the extra mile not only because it deepens our customers' loyalty and fosters our employees' unwavering commitment to quality but because we believe it is the right thing to do.

Audio Enhancers' reputation is based on our Sound Promises;

- 1. Sound Quality**.....100% american made enclosures
- 2. Sound Guarantee**.....100% money back guarantee
- 3. Sound Service**..... Unsurpassed customer service commitment
- 4. Sound Selections**.....Over 200 Models, Over 900 choices
- 5. Sound Choices**.....Different finishes, raw, uncarpeted, carpeted, XtremeKote and custom logos.
- 6. Sound Design**..... Computer designed , customer tested, with proven performance

We are extremely proud of our long history, and we look forward to continuing to lead the way and serve you. At Audio Enhancers we believe "it's all about the enclosure."

Sincerely,

Ted Sharp
President

SOUND CHOICES

At Audio Enhancers we strive to offer a customizable product line that meets the unique needs of every retailer, our goal is to respond to your needs:

- Need a hole size not offered – Call Us
- Need an enclosure modified – Call Us
- Need a custom run of an enclosure not offered – Call Us

Minimum requirements may apply.

RAW FINISH ENCLOSURES

Uncovered – Uncarpeted, “Plain Jane” enclosure, ready to be customized any way that meets your needs. Build it into your custom system or just leave it RAW, a quality option at a great price point. 100% Green, made from recycled wood. All enclosures are offered in a RAW finish, see price list for exact model number and RAW icon through our catalog.

CARPETED FINISH

Carpeted – Covered, latex backed acoustical matting, available in Charcoal (Black with up-charge). 100% Green, made from recycled plastic bottles. All enclosures are offered in a CARPET finish, see price list for exact model number and CARPET icon through our catalog.

XKOTE FINISH

Xtreme Kote – Bedliner, polyurea finish adds to appearance, rigidity and seals air tight. 100% Green, made from soy products. Select enclosures are offered in a XKOTE finish, see price list for exact model number and XTREME icon through our catalog.

SOUND YOUR BRAND FINISH

Customized with your “Company Logo”, minimum run sizes, one time set up fee and small up-charge per enclosure. Call for additional details and prices. All Raw and XKOTE enclosures are offered with Company Logo finish.

UNDERSTANDING OUR MODELS WHEN ORDERING

1st Model Letter = (AV) Specific Vehicle Information)

Model Number = (65) Total Internal Air Volume

2nd Choose Finish = (R) Raw (C) Carpeted (X) XKote

3rd Select Desired Opening = 10, 12, 15

Model Letter	Model Number	Cabinet Finish	Speaker Size

KL12D	3.30	1.65	2 - 12"	34"	16 1/2"	15 3/8"	17 3/8"
KL15D	3.30	1.65	2 - 15"	34"	16 1/2"	15 3/8"	17 3/8"

Note: Does not include terminals due to rigidity of the enclosure - Dual enclosure individual chambers.

WHAT MAKES AN AUDIO ENHANCERS PORTED ENCLOSURE A BETTER PORTED ENCLOSURE?

LESS DISTORTION

LESS CABINET FLEX

CLEANER SOUND

MORE OUTPUT

In an Audio Enhancers slot port enclosure, you'll find larger port areas, all corners in the port rounded, and corner deflectors added in the port where space allows. We guarantee you will have a properly tuned enclosure with accurate air volume. The larger ports, rounded ports, and corner deflectors are only offered by Audio Enhancers. CARB compliant, Certified Green Materials and 100% made in the USA.

KPL155
